

## Scenes From Annual Canoe Race

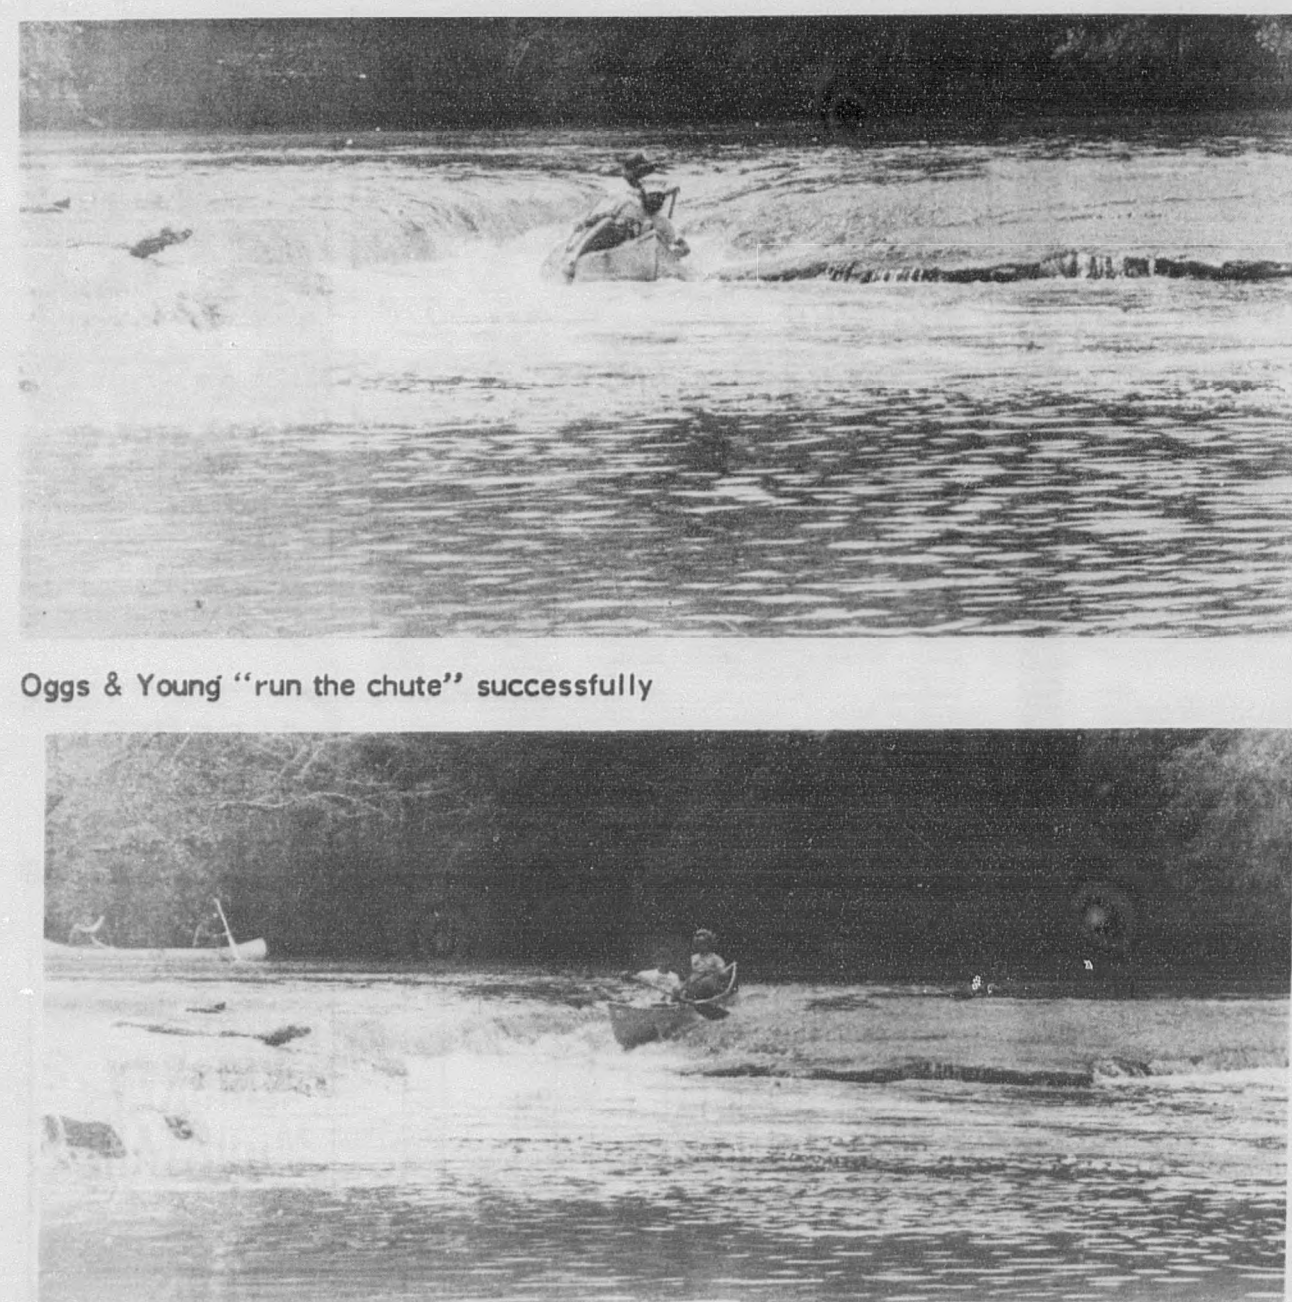

Contestants dig in at starting gun

McGuire's ease over rapids

Capsizing at falls

Last year's winners follow in rapids

The third annual Pea River Canoe Race was held Sunday morning with the winning time of two hours and thirty-six minutes, just three minutes off the record.

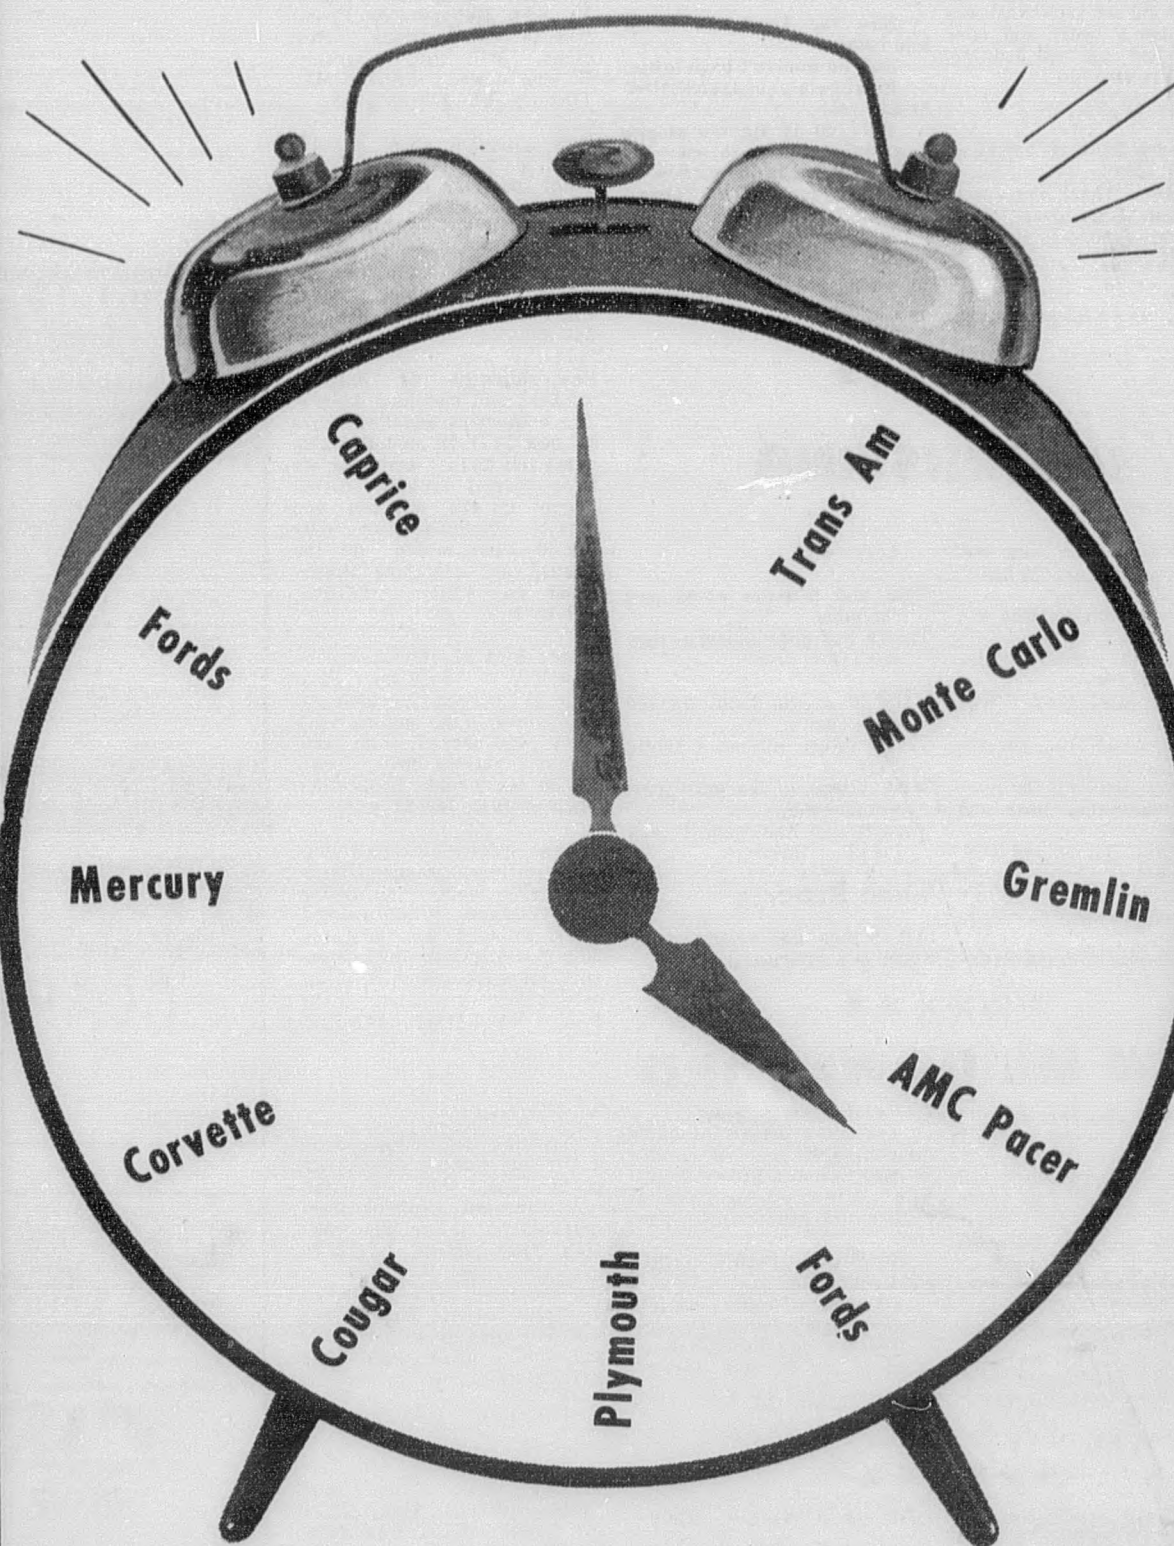

The fastest of the 18 canoes entered was from Hazelhurst, Ga., and was one of four true racing racing canoes that gave the main pack a four minute head start before leaving the starting point at Folsom Bridge on Highway 167. By the time the leaders reached Rowe and Weeks Bridges, the canoes from Georgia were leading the pack, and they lengthened this lead to about five minutes at the finish line in Elba.

The last of the canoes arrived in Elba after about three hours rowing time. Many were soaking wet from dunking at Reeves Eddy, while some managed to come through the rapids without capsizing.

From the start the family and friends that accompanied the contestants cheered on the participants and offered advice to each canoe as it came near the rapids and applauded those who maneuvered them without capsizing, while laughing at those who got wet as their canoe flipped.

Participating from Elba were Butch Oggs, Ashley Young, Bill McGuire, Mike McGuire and Russ Wood. (Wood had a partner from Enterprise.)

## Whatever You Need Any Time

**We have A Tremendous Inventory of Used Cars that were traded in on new cars!!!**

**This is the widest selection of used cars we ever had**

**WE NEED TO SELL AT SOME PRICE!!**

**Come on by Cook Chevrolet and let our friendly salesman help you with your choice.**

Little Miss Fire Prevention, Jennifer Walker, 6 years old, and Miss Fire Prevention, Joan Johnson, 21, inspect fire fighters during Fire Prevention Week -- October 9-15, by participating in the many activities planned.

Joan is the daughter of Mr. and Mrs. Charles Walker and Joan is the daughter of Mr. and Mrs. Travis N. Johnson, all of Ozark.

One of the "facts of life" is that when soil erodes, everybody loses, and when soil stays

## County Schools

### Get Federal ESAA Grant

The Coffee County School System has recently been awarded a Federal ESAA grant for \$1,614. This has allowed the system to employ reading teachers for the junior high school grades.

Jimmy Baker, Superintendent, stated that "this program is a much needed addition to our junior high school curriculum and will benefit the fine boys and girls of this school system."

The director of the program will be Mr. Virgil Coleman. There will be an ESAA Advisory Committee composed of Coffee County citizens. The function of the committee is to make suggestions and recommendations concerning the program.

Marion has farmed in the Roton Community for 26 years. He and his wife, Virginia, have three children. Marion and his sons farm over 700 acres where they grow peanuts, corn and soybeans. He also has some beef cattle which he grazes on Bahagrass and Coastal Bermudagrass pastures. He was the first farmer in Coffee County to install a water disposal system of parallel terraces and tile outlets.

Marion is a member of the Roton Baptist Church where he serves as Chairman of the Deacons, and also serves as church treasurer.

Those include serving at holiday banquets, holding block parties for worthy causes, etc.

Anyone interested in availing themselves of these services should contact Terry Young at 897-2407.

DEEPER WATER

Deepening the edges of a farm pond to a depth of at least two feet is not always practical due to unsuitable soil conditions. Often the edges are too wet and boggy for heavy machinery to be used.

One exception was the recently completed pond at Malcolm Boothe's farm west of Elba. The pond edges were deepened as recommended, so Mr. Boothe should have less trouble controlling waterweeds

on the farm, everybody gains. This is a key point when it comes to deciding who is to pay the cost of preventing erosion on farmland.

Under modern farming, some erosion is inevitable. This loss can be reduced, however, through the use of such practices as terracing, contour plowing, grass waterways, year-round cover, and dams to slow water.

All these cost the farmer in time, effort, convenience and money, and they don't necessarily increase his profit. So, who gains the most from the environment in which we live?

A cost-sharing formula that doesn't take into account the farmer's relative low benefit from certain erosion-control practices isn't likely to solve the problem of muddy waters in our rivers and streams.

WHO SHOULD PAY

One of the "facts of life" is that when soil erodes, everybody loses, and when soil stays

in the farm, everybody gains. This is a key point when it comes to deciding who is to pay the cost of preventing erosion on farmland.

## BRAINSTORMS

With Ferrin Cox.

The West Germans again are to be praised for not giving in to terrorists in the hijacking of the German jet with 80 people aboard. The Germans sent in specially trained commandos who showed brilliant work and lengthy training in storming the plane, killing three of the four terrorists and not hurting a single hostage. They took a chance that some of the hostages would be hurt or killed, but they discouraged more efforts by radicals to force action from governments by endangering the entire world.

An editorial cartoon in a Wednesday daily paper warned the hopefulness for the 1978 U. S. Senate race to "watch out for the old pro" and showed a likeness of Sparkman's face, and for those who didn't recognize that, his name was also there. We have been saying this for several months - regardless of his age, Sparkman is not really wanting to call it quits, and he just may be the candidate to beat next year.

It was a bit of a personal shock Tuesday night to learn that Marvin McCollough had been killed in an accident while walking home. All of us at the office considered Marvin our friend, and he had full access to all our offices any time he wanted to drop by. We thought this was a little "special" because "Champ" was our friend; but judging by the phone calls we received after his accident, we shared "Champ" with a whole bunch of Elba citizens.

Several weeks ago Hedy and I were going out of town for a meeting and I was scratching out my clothes and trying to "match" everything. Looking for socks, I found a nice pair of blue ones that came up on the call of my legs. Putting them on, my thoughts were that these "executive type" socks were just the thing for the day. After wearing them all day, I commented to my dear wife Hedy that they sure were well. She laughed and informed me that I had been wearing my daughter's knee socks all day! Still they were "plumb good" and I thought the tightness around the calf was just to make them stay up a little better. Now Michele will not wear her ruined socks and I won't either.

Several of our city councilmen have been quietly working with some outside business interests lately. The outside folks are trying to lay the groundwork to open additional retail businesses in Elba. The councilmen are doing a lot of leg work with them and suggesting other folks for them to contact. This type activity is slow in producing results, but much can be done for a community to progress. We salute those working on these projects - you know who you are.

Last week we wrote simple directions on reaching the Ashford football field. We warned our readers to follow these directions unless they KNEW where they were going, but several failed to listen and wound up at another game and laughingly tried to blame it on our directions, but we refused to take the blame. Maybe next time we had better put them in the back of our truck and take them to the games. This week the team travels to Eufaula. There are a number of favorite routes to Eufaula so we will let you find your own route to town; however, remember to ask someone where the ball field is before you wind up at a Georgetown, Georgia ball game!

## BENJAMIN FRANKLIN STAMP CLUB MEET RECENTLY

The Benjamin Franklin Stamp Club of the Elba Middle School meets every Tuesday at 2 p.m. in room 104 with our sponsor Mrs. Stivers. The following officers were elected to serve for the coming year: President: Millie Pearce Vice-president: Kevin Kelley Secretary: Stacey Carpenter

We discussed goals for getting certificates. We must complete a chart which Mrs. Stivers puts up in the room before we earn a certificate. The name of our first certificate is "Certificate for Beginners". Club rules were made by

## Gulf CRUISEMASTER

Some Examples of our Low Low Prices	
G78-15	\$32.00
H78-15	\$33.72
J78-15	\$31.05
L78-15	\$36.17

## FEATURES

- Two fiberglass cord belts
- Two polyester cord body plies
- Belted/bias construction
- 78 series profile
- 9 rib tread design (78 and larger sizes)

## BENEFITS

- Keeps tread firmly on road surface for increased mileage, improved handling, and improved stability
- Provides for a smooth, quiet ride
- Well accepted construction, used as Original Equipment on Automobiles for many years
- Modern, low profile, wide tread provides improved stability and performance
- More tread remains in full contact with the road for improved traction and skid resistance

### Z.C. Falls After Offensive Miscues

BY: David Brown and Tony Brown  
Zion Chapel's record dipped to 2-1 after a 14-0 upset by the Junior Bulldogs of Kingston.  
The Rebels received the opening kick-off, but failed to muster a drive and were forced to turn the ball over to the Bulldogs. After failing to complete a first down, the Bulldogs were forced to give the ball back to the Rebels. Both teams traded possession several times during the first half, but neither could put it in for the score.  
Kingston received the second half kick-off only to see a replay of the first half. Neither team could move the ball,

Bulldogs were Mickey Nelson and Andy Cape.

but both played good defense.

The fourth quarter was all Kingston as Zion Chapel went to the air, only to have Kingston intercept it and return the ball 40 yards for the first score of the night. The P.A.T. failed and the Kingston Bulldogs took the lead 6-0.

Zion Chapel then started a drive that took the Rebels deep into Bulldog territory, but miscues again claimed the Rebels as the ball squinted loose and was picked up and returned 65 yards for the final Bulldog score. The 2 point P.A.T. was good and the Bulldogs pulled off an upset 14-0.

Zion Chapel then started a drive that took the Rebels deep into Bulldog territory, but miscues again claimed the Rebels as the ball squinted loose and was picked up and returned 65 yards for the final Bulldog score. The 2 point P.A.T. was good and the Bulldogs pulled off an upset 14-0.

Zion Chapel then started a drive that took the Rebels deep into Bulldog territory, but miscues again claimed the Rebels as the ball squinted loose and was picked up and returned 65 yards for the final Bulldog score. The 2 point P.A.T. was good and the Bulldogs pulled off an upset 14-0.

Zion Chapel then started a drive that took the Rebels deep into Bulldog territory, but miscues again claimed the Rebels as the ball squinted loose and was picked up and returned 65 yards for the final Bulldog score. The 2 point P.A.T. was good and the Bulldogs pulled off an upset 14-0.

Zion Chapel then started a drive that took the Rebels deep into Bulldog territory, but miscues again claimed the Rebels as the ball squinted loose and was picked up and returned 65 yards for the final Bulldog score. The 2 point P.A.T. was good and the Bulldogs pulled off an upset 14-0.

## 1ST GRADE IN SPOTLIGHT

BY: Jan Sanders and Randy Wilson

Guess what the first graders at Zion Chapel are doing? They're not only learning, but also enjoying each other.

They begin their day by going to breakfast. After they finish they come back to their room and divide into three groups for reading. In these groups they work on readiness and sounds. They are learning to count to ten in arithmetic.

By the time they have finished all of this, it's 10:30, and time to go to lunch. Then the time that all of us wish we had come. Rest Time! They have this for 30 minutes.

The afternoon begins with writing to form letters, rhyming sounds, beginning sounds, and likeness and differences.

Then finally, it's time for P.E. to work off some of that energy that's been building up all day. They come back in for snacks, juice, and more readiness activities. Oh! How much fun it must be for a first grader!

Some people believe that storms are caused by blackbirds.

The  
Pressbox

By Ricki Mularz Sports Editor

This week I'll have to tip my hat to the Elba Tigers for their win over Ashford. The Tigers proved they can not only win away from home, but they can also win in the dirt!

**TIGERS WIN A WILD ONE**  
The win over Ashford was the type fans love to see -- action-packed! The fans were on their feet from the start of the game (Perry Fuller's 89-yard kickoff return) to the end (the small fight). It was a good thing the game was exciting, because all the jumping up and down kept the fans from freezing!

After watching the game, I'll have to say we've got one of the most explosive offensive attacks anywhere. Johnny Dyess is a hard runner to bring down and can break away for a long touchdown run at any time. Johnny is averaging over 7 yards a carry, and only his lack of size keeps him from being a "major" college prospect.

Of course, Larry Phillips and James Smith can also run. Larry is averaging 5.2 yards a carry and James is averaging 7.1 yards a carry. I doubt if any other team in the area has backs with credentials like those!

The passing game has developed nicely, and the Martin-to-Wood combo is probably the most feared in the conference. The duo has connected on 23 passes for 413 yards and 4 touchdowns. Not bad. Ken can also run the ball well, and in recent games has shown he's not afraid to tuck the ball under his arm and scramble.

The recent returns of Perry Fuller on kickoffs and punts has added another dimension to the Tiger attack. Perry might weigh 150 pounds (adding a big rock), but he makes up for his lack of size with speed, and plenty of it. If the defense can recover from the recent rash of injuries, the Tigers could just win their last two games and boast an 8-2 record.

Don't laugh! The Tigers have the talent to win, and could surprise ya!

**PREP ROUND-UP**  
Dothan continued their long trip back to respectability by dumping Prattville 12-6. The "Cardiac Kids" have won three of their last four games, and have overcome the loss of the players that walked out.

Dale County upped their record to an unbelievable 6-2 by beating Daleville 34-0. The Warriors play an easy schedule, but maybe they're better than I give them credit for.

New Brockton fixed its muscles and blanked Long High 20-0. The Gamecocks have a young program, with young coaches and young players -- when they get a little experience -- watch out!

Slocomb wrapped up a trip to the state playoffs by edging Headland 14-12. The Red Taps will play the winner of the Florida-Leverne game.

Clio, who wrapped up a state playoff berth last week, remained unbeaten by whipping Goshen 15-6. The Yellowjackets are 7-0, but have won all their games by just a few points.

Coffee Springs also remained unbeaten by blasting Arton 34-0. The Bears have won 12 straight, and have a shot at going all the way!

Kinston only allowed a total of 6 points in the last and fourth quarters, but got bombed in the middle two as they lost 48-0 to Wicksburg. The Dogs aren't "that" bad.

**WE COULD NEED A TIE-BREAKER**  
Should Elba defeat Andalusia next week, the area would end up with three tie -- tied for first, all with one loss. The three would be Opp, and Elba. Here's how they'd break the tie: (1) the representative would be the team whose opponents it defeated earned more victories in Class 3A or above; (2) the team whose area opponents earned the most victories against teams of their class; (3) team whose opponents have earned the most victories -- and so on!

By the way, the last tie-breaker (No. 11) is the flip of the coin!

**POLISH PICKS**  
Ye Ole Polish Prognosticator hit on 15 of 15 last week for 100% correct. For the year, the record stands 77 correct and 12 wrong. That's 87% right! Here are this week's picks:

**ELBA VS. EUFAULA**  
A battle of the Tigers. Elba's offense is explosive, but Eufula's defense might put a damper on the fun! However, I'll go with an upset.

**ELBA 20 - EUFAULA 16**

**KINSTON VS. ZION CHAPEL**  
The Rebels are playing at home, and are beginning to look like the Rebs of old. The Dogs could pull an upset, but I don't think so!

**ZION CHAPEL 26 - KINSTON 12**

**NEW BROCKTON VS. COFFEE SPRINGS**  
The Bears have been waiting for this one, and could wrap up a trip to the playoffs with a win. The Gamecocks' feathers will be flying!

**COFFEE SPRINGS 34 - NEW BROCKTON 8**

**OTHER PICKS:**  
Lanier 14 - Dothan 12  
Troy 21 - Geneva 6  
Florida 50 - Samson 0  
Brumbridge 16 - Central 6  
Dale County 21 - Slocomb 18  
Headland 20 - Hartford 14  
Columbia 15 - Clio 13  
Carver 20 - Ocala 10  
Abbeville 7 - Cottonwood 6  
Long 12 - Louisville 0  
Lynchburg 18 - Clayton 12  
Daleville 14 - Straghan 8

Coach Wood Reports Tiger  
Defense Must Improve

"We're going to have to play a whole lot better on defense if we're to have a chance of beating Eufula!"

Those were the words of Elba High School football coach Mck Wood when asked about the Tigers' game this week against Eufula.

"They are tough," stated Wood, "and they're probably the quickest team we've faced all year. They've got speed at both running back and quarterback, and this puts a lot of pressure on the defense."

"Eufula is strong on offense and defense," added Wood. "They have a lot of talent, and have the best defense we've faced since Eufula."

Of course, Larry Phillips and James Smith can also run. Larry is averaging 5.2 yards a carry and James is averaging 7.1 yards a carry. I doubt if any other team in the area has backs with credentials like those!

The passing game has developed nicely, and the Martin-to-Wood combo is probably the most feared in the conference. The duo has connected on 23 passes for 413 yards and 4 touchdowns. Not bad. Ken can also run the ball well, and in recent games has shown he's not afraid to tuck the ball under his arm and scramble.

## ZC Rebels Bury

Clayton 36-0

By Greg Brunson  
CLIPPER SPORTSWRITER

The Zion Chapel Rebels buried their season record to 4-3 this past Friday night as they really poured it on Clayton by the score of 36-0. The Clayton Tigers won the toss, but that was the last thing they won all night.

Clayton's first possession ended in a beautiful interception and 22 yard return by Lee Shepard. This set Zion Chapel up on the Clayton 5 yard line. Three plays later, Leslie Bessy crashed in from the two yard line giving Z. C. an early 6-0 lead. The point after touchdown attempt by Tony Brown was missed. So with 6:59 left in the first quarter, the score was 6-0.

Neither team was able to sustain a drive in their next possession but after the exchange, Clayton was pinned deep in their own territory. Ray Von Boyd intercepted a pass and returned it to the 3 yard line where he was driven out of bounds. Mike Carney, a quick hard-running freshman, scampered in for the touchdown with 11:07 remaining in the first half. The try for two was no good as the Marler to Shepard pass fell incomplete. The score was then 12-0, favoring Zion Chapel.

A Clayton fumble put Zion Chapel right back in business at the Clayton 17 yard line. Four plays later, Corky Ward powered in from the five yard line for the last points before the half. The try for two was again no good, so with 3:36 left in the half, Z. C. led 18-0.

The third quarter went by with both teams playing sloppy football. Neither team was able to drive or control the football.

Corky Ward cracked the line the first play of the fourth quarter for a 35 yard run and a TD, which made the score 24-0. Only 11:46 left in the ballgame.

Zion Chapel's next offensive effort ended in another touchdown. This one coming from Leslie Hussey for his second of the night. The drive was sparked by a 15 yard gain by Jimmy Taylor and 12 yards from two carries by Sam Parker.

This moved the score to 30-0 with only 4:48 to go in the game. The last touchdown for the Rebels came from Ray Marler who swept right end on a gadget play. Marler did a good job of running to find pay dirt, but for the sixth time of the night, the P.A.T. failed. So with 1:57 to go in the ballgame, Zion Chapel led 36-0.

That's how the game ended, as neither team moved the ball again. There was no standstill start of the ballgame, because it was a real team effort. Four players did stand out for the Rebels.

They are: Chris Sanders, Ray Von Boyd, Corky Ward, and Lee Shepard. Ray Marler had his usual consistent night at quarterback, while Leslie Hussey, Mike Carney and Jimmy Taylor all had a good night, carrying the ball.

The Rebels are at home this week against cross-country rival Kinston. This will be the last home game of the season for Zion Chapel, and I strongly urge you to come and see the Rebels in action. Kick-off is at 7:30. See you there!

ZC - Kinston To Clash  
Friday Night

Field Set For

Pensy Open

One of the strongest fields in the history of the Pensacola Open will be on display as the Pro Golf Tour's final event gets underway.

The tourney will be held on Oct. 27-30 at the challenging Pensacola Country Club course.

Included in the field are such top stars as Jerry Pate, winner of this year's Phoenix Open and the 1976 Rookie of the Year. Andy North, winner of the 77 Westchester Classic; Mark Hayes, winner of the 77 Tournament Players Championship; Mike Hill, victor of this year's Ohio Kings Island event; and Miller Barber, one of golf's 12 million dollar winners.

Heading this year's event is Larry Wadkins, the winner of this year's P.G.A. title and World Series of Golf. Wadkins is the third leading money winner this year with over \$250,000 in earnings.

"Winston Caldwell is the sparkplug of my offense," stated Sanders, "and he is a fine runner. He weighs about 210 pounds and runs the 100 yard dash in 10.1 or 10.2. Caldwell is so big he is mighty hard to bring down."

"The Rebels (4-3) have already disposed of New Brockton, and I win over the Bulldogs. This drive of the Bulldogs running attack key to winning this week would be 'stopping the Bulldog running attack.'"

"Defensively," said Coach Sanders, "they are big and strong. They have good size and are a tough defensive unit."

Coach Sanders stated the key to winning this week would be "stopping the Bulldog running attack."

"We look for it to be a good game," added Sanders, "and I just hope we will be ready."

Looking back over the season, Sanders said, "I am disappointed that we're not going to state because I feel we've got the best team in our area (region 3, area 5). Our two losses in the area were by a total of 6 points, and if we'd gotten a break we would be getting ready for the playoffs."

Turning to last week's 36-0 rout of Clayton, Sanders said, "I'm proud of the victory, but we weren't that impressive."

Jeff Scarbrough (65), Russ Wood (89) and Greg Ellenberg (54) combine to bring down Ashford's Sammy Flowers.

Tigers Win Shoot-Out Over Ashford  
36-27

The Elba Tigers proved they can win away from the friendly confines of Tiger Stadium last week when they outscored the Ashford Yellowjackets 36-27.

The win upped the Tigers' record to 6-2 overall and 4-1 in area play. The loss dropped Ashford's record to 2-5.

Elba won the toss and elected to receive. Tiger speedster Perry Fuller took the kick at the 11-yard line and raced 89 yards for a touchdown. Ken Martin added the extra point to give Elba a 7-0 lead with only 18 seconds gone in the game.

Ashford failed to move on their initial possession and was forced to punt. Elba put the ball in play on the Jackets' 48-yard line and promptly marched for another score!

Johnny Dyess gained 6 and 2 yards on the initial two plays, followed by an 18-yard scamper by Larry Ware. With the Tigers now facing a 1st and 10 at the 22-yard line, Elba quarterback Ken Martin plunged by 215-pound halfback Sammy Flowers. Many Tolar added the extra point to make the score Elba 21-Ashford 15 with 4:41 left in the half.

Elba ran out the clock, and at halftime went in nursing a shaky 21-15 lead.

Ashford took the second half kick and drove 62 yards in 8 plays to tie the score at 21-21. The touchdown came on a one-yard run by Shepard. Elba's defense intercepted the ball and returned it 30 yards.

The two area rivals swapped punts on their next possessions, with Ashford ending up with the ball on their 36-yard line. On this drive, Ashford quarterback Tim Brown went to the airways, but Elba's Keith Brown intercepted the ball and returned it 30 yards.

The two area rivals swapped punts on their next possessions, with Ashford ending up with the ball on their 36-yard line. On this drive, Ashford quarterback Tim Brown went to the airways, but Elba's Keith Brown intercepted the ball and returned it 30 yards.

Ashford drive near mid-field on a fumble recovery, but the referees gave the ball to Ashford, prompting Tiger Coach Mack Wood to charge on the field in protest. Wood's complaints resulted in a 15 yard penalty.

Neither team could move on their next possession, but following an Ashford punt Elba drove for a touchdown to regain the lead at 28-21. The Tigers' scoring march covered 53 yards, and took only four plays. Johnny Dyess gained a total of 11 yards on the initial two plays, followed by a 10-yard run by Perry Fuller. The score came on a 33-yard run by Dyess, and Martin added the p.a.t. to give Elba a 28-21 lead with 2:45 left in the third quarter.

Ashford drove into Elba territory following the score, but Tiger standout Russ Wood pounced on a Jacket fumble to end the march.

Elba took over on their 42-yard line and drove

## Angela Bartley Finalist In Recipe

Miss Angela Bartley, age 14, daughter of Mr. and Mrs. James Bartley of New Brockton, was among the semi-finalists in the

teenage pie division in the Peanut Producers Recipe Contest. Angela's recipe is for a Peanut Butter Fudge pie.

Angie is a sophomore at Elba High School, a member of the Marching Tiger band, French Club, Mu Alpha Theta Club, Beta Club and a Jr. 4-H club leader. She is a member of the Elba Action 4-H Club, and a member of the Gold Key fraternity.

She is a member of the First Assembly of God Church in New Brockton.

## Recipe For PEANUT BUTTER FUDGE PIE

2 eggs  
1 cup sugar  
1/4 cup flour  
3-1/4 cups crunchy peanut butter  
1 teaspoon vanilla  
1/4 pound butter  
2 squares unsweetened chocolate  
Melt butter and chocolate in double boiler. Beat eggs well.

## Jessica Williams Fund Set Up At Bank

Little Jessica Williams, four-year-old daughter of Rhonda and Gary Gilley of Oak, is scheduled for cardiac surgery in Birmingham on October 31.

The family is in need of financial assistance for transportation and motel accommodations to be near Jessica during her recuperation.

A fund has been set up at the Elba Exchange Bank for anyone wishing to donate to this cause.

Mrs. Gilley attended school in Elba in 1972.

## Kinston Prep Bowl Wins Over Wicksburg

The team representing Kinston in the TSI Prep Bowl competition on October 11 won over Wicksburg, 205-75.

Three & a half rounds of questions were asked in varied categories: U. S. World History, English, Vocabulary and Spelling, Mathematics, Physical and Biological Sciences, Government, Sports and Fine Arts.

Team members for the

## Mr. & Mrs. Cotney To Celebrate 50th

Mr. and Mrs. F. N. Gantner, Mr. and Mrs. Cecil Smith, Mr. and Mrs. Harold Martin, Mr. and Mrs. Dan Presley request the presence of your company at the fiftieth wedding anniversary of the marriage of their parents, Mr. and Mrs. Oliver Odell Cotney, on Sunday, the twenty-third of October, 1977, from two until four at the home of the honorees, Elba Highway, Opp, Al.

## Azalea Garden Club Held Meeting Oct. 12

The Azalea Garden Club met on Wednesday, October 12, at the home of Mrs. Claude Dorsey, with Mrs. Rose Ham as co-hostess. Seventeen members were present.

Mrs. Fred Clark presided over a business session which included discussion on "Tasting Tea" to be held in the Spring, and a November workshop where Christmas wreaths will be prepared.

It was announced that the club had received two awards at the District Garden Club meeting last month. The awards were Club of Distinction and an award from Care.

Mrs. V. D. McCarty introduced Mrs. Benote Watson of Greenville, who presented a program on herbs and spices. She displayed a variety of herbs and gave their history and early medical uses, using Biblical and literary quotations. She also gave hints on planning and planting a herb garden. She concluded her talk by discussing the propagation of pomander balls and herb bags.

## Three Seasons Club Have Guest Speaker

The Three Seasons Study Club met Monday night, October 10, in the home of Mrs. Janice Clark. Apple crumple topped with vanilla icing, cheese straws, nuts and coffee or coke were served by the hostesses, Barbara Amos and Janice Clark.

After the club president, Betty Cranton called the meeting to order, Margaret Calhoun gave the devotional. Janice Clark introduced the guest speaker Mike Kelley, agent for Farm Bureau Insurance. Mike presented an informative program on "Life Insurance."

A question and answer session followed. The business session began with club secretary Henrietta Crimes calling roll and reading the minutes of the last meeting. Mary Jo Hudson, treasurer, gave a financial statement. Items of business included a review of the club's constitution and plans for the bazaar and the Christmas bazaar. The members voted to sponsor an additional mentally retarded person at the Tarwater Center at Wetumpka.

## Kinston High School To Display Exhibits At State Fair

Donna King, President of FHS and Kathy Patterson are to be taken to the South Alabama State Fair in Montgomery, October 17-22. This is one of four FHS exhibits to be at the fair.

It was announced that the club had received two awards at the District Garden Club meeting last month. The awards were Club of Distinction and an award from Care.

Mrs. V. D. McCarty introduced Mrs. Benote Watson of Greenville, who presented a program on herbs and spices. She displayed a variety of herbs and gave their history and early medical uses, using Biblical and literary quotations. She also gave hints on planning and planting a herb garden. She concluded her talk by discussing the propagation of pomander balls and herb bags.

The business session began with club secretary Henrietta Crimes calling roll and reading the minutes of the last meeting. Mary Jo Hudson, treasurer, gave a financial statement. Items of business included a review of the club's constitution and plans for the bazaar and the Christmas bazaar. ## New Era Junior Woman's Club Holds Monthly Meeting

The New Era Junior Woman's Club met Monday night, October 9, for their monthly gathering at the home of Marcia Oggs.

Following the opening of the meeting by President Suzanne Stokes and the devotional given by Erin Russell, the members of this service organization participated in a program on "Dough Art," instructed by Harriett Boyd, each person present made a cute and decorative object of art.

After taking care of items of business, the club welcomed their two new members - Elaine Shirley and Sara Strong. Then hostesses Erin Russell and Marcia Oggs served dessert to the following: Charlotte Adkinson, Janice McCall, Jane Grantham, Harriett Boyd, Elizabeth Lindsey, Peggy Storey, Elaine Shirley, Sara Strong, Barbara Vaughan, Beth Dubose, Sylvia Hudson, Suzanne Stokes and Pam Baker.

The following members were present: Suzanne Stokes, Janice McCall, Jane Grantham, Harriett Boyd, Elizabeth Lindsey, Peggy Storey, Elaine Shirley, Sara Strong, Barbara Vaughan, Beth Dubose, Sylvia Hudson, Suzanne Stokes and Pam Baker.
